

REMARKS

The Notice stated that Applicants' response was non-compliant because a complete listing of all the claims was not present. The Notice required that only the section containing the alleged non-compliant portion must be resubmitted. Accordingly, Applicants have resubmitted the listing of claims. Applicants note that the claims submitted herewith are identical to those submitted on November 20, 2003, with the exception that the present submission also lists the status of claims 1-27 as canceled. This amendment does not contain any new matter. Accordingly, entry of this Communication is respectfully requested.

The Examiner may address any questions raised by this submission to the undersigned at 212-497-3613. Should an extension of time be required, Applicants hereby petition for same and request that the extension fee and any other fee required for timely consideration of this submission be charged to **Deposit Account No. 18-1945**.
